

Think smiles, hard work and meeting old friends, new people! All for a fantastic cause! Why I feel good just thinkin' about it!

Yes, it is time to begin scheduling for Barbecue on the River. We've three days to fill plus set-up and take-down. Please recruit your friends and make it a fun joint effort at the booth. Feel free to copy any of the attached articles to spread around. Seven people are needed each shift to run the booth. If this is not your cup of tea, you can help in other ways.

Note we are taking pre-orders, but no delivery this year. We do have use of a "mule" to meet customers either at the barrier on Jefferson or a nearby parking lot. Their choice of time, day. The prices are fixed about a week before the roast by the organizers. If your business or your friends want a slice of the festival, be sure they get an order form.

We would also like to find sponsors for the event. If we can get our expenses covered, we make more profit for TLF. We are a registered public charity and I can get you the tax letter or other information if your business needs it.

Here we go... Please help. It is guaranteed that you will leave with a song in your heart and no money in your pockets from the effort! What a bargain!

love, jo dortch
